No flag but the Old Flag—the Red, White and Blue,
With the stars of a Union unbroken and true!
Arise and defend it! ye sons of the brave,
Whose blood bought the banner your valor must save.

THURSDAY MORNING, SEPT. 15, 1864.

NATIONAL UNION NOMINATIONS.

For President,
ABRAHAM LINCOLN,
Of Illinois.

For Vice-President,
ANDREW JOHNSON,
Of Tennessee.

For Presidential Electors,
GEORGE L. WOODS, of Wasco County,
H. N. GEORGE, of Linn County,
J. F. GAZLEY, of Douglas County.

A Mathematical Problem.—The Richmond *Examiner* of July 21st complains that "many unprincipled persons who have taken up negroes dropped by the raiders, have put them at work on their own estates, or are holding them until large rewards shall be offered for them." Let us see what are "large rewards" under the circumstances. The relative value — according to the Virginia market "from first hands"—was as one good field negro to three hundred barrels of family flour. The rebel Government in response to an appeal from the people, has just reduced the standard of articles for consumption, this "ameliorating the condition of the masses." It has fixed the price of family flour at *one hundred and eighty-two dollars per barrel* of 196 pounds. This, in the currency of the Confederate Government, would make the field-hand—worth under Buchanan's administration only fifteen hundred dollars—at present worth just *fifty-four thousand six hundred dollars!* As we are not familiar with the ordinary prices paid formerly for the return of runaway negroes, we leave the calculation to be worked up by some of our contemporaries who may have engaged in that enterprise.

Republicanism and Slavery. — Democrats clamor for freedom of speech and of the press. Yet Democrats advocate slavery, which is inconsistent with freedom of speech and of the press. The revised statutes of Louisiana of 1852, says the *Flag*, makes it a misdemeanor, punished by fine and imprisonment, to argue against the morality of slavery. A Virginia statute of 1849 provides for "the punishment of any person who shall utter or publish" anything against slavery. What sort of freedom of speech and of the press is this?—*Appeal.*

Those Democrats in Oregon who do not deny the existence of any laws against free speech in the South, claim that those laws are local and inseparable from "State Rights." The "Constitution" has nothing to do with them. If a man opens his mouth in Dixie to speak what he thinks, he *ought* to be hung. People down there have no right to think, much more to speak—if they had, secession never could have been accomplished. It is a "constitutional privilege" to attempt to overthrow the Government by speech and acts in the North, and any effort to suppress this privilege will call out 40,000 buzzard shooters. The ethics of chivalry make treason laudable, perjury honorable, stealing respectable, ignorance commendable, and loyalty censurable; but to believe that all men are created equal is a capital offense.

The Washoe Disaster.—The Sacramento *Union* in an able and pertinent article on the explosion of the steamer *Washoe*, on the night of the 5th, says the dead will not number less than seventy-five, and may reach a higher figure. The subsequent actions by the humane societies and citizens of Sacramento generally entitle them to the lasting gratitude of those who had relatives or friends among the victims. Humane liberality is no new or inexperienced element in the composition of Sacramentans. They have been tried oft, and oft felt its need amid their own misfortunes; and now that their people once more prosper, are ready at any moment with open doors and hearts to dispense good gifts and alleviate distress. They are like gold which has been tried in the fire.

An Early Winter.—We observe that the California papers contain prognostications of an early and wet winter, based principally upon the movements of swallows, geese, etc. Like the most important battles of the war, their flank movements appear to have been effected on Sunday. Stockton and Sacramento papers note their passage in considerable numbers over the "cities of the plain" on Sunday. Last Sunday at least half a dozen large flocks were in sight over this city at one time, hurrying southward and reminding one of so many regiments of Butternuts skedaddling before General Grant at Corinth.

We have letters from Camp Dahlgren, Oregon, a late as the 4th September. Camp Dahlgren is the headquarters of Capt. Drake's expedition. The troops of his and Captain Curry's expeditions are dividing into large scouting parties over the extensive region in Oregon east of the Cascades. From the best information that can be obtained, Paulina and his band are now in the Goose Lake country, in the vicinity of U. S. troops.

Indian Depredations near the Dalles.—On the 7th inst. four valuable mares were stolen from Mr. A. H. Curtis in Clickitat county, only three miles from the Dalles. They were recovered on the 9th, and the Indian thieves arrested, but subsequently escaped. Mr. Curtis, having recovered his animals, offers $100 reward for the capture of the principal Indian concerned in the theft.

Enrolled.—We learn from the Walla Walla *Statesman* that upwards of six hundred names have been enrolled, so far, in that county. The enrolling officer thinks there will be nine hundred names in all, when the enrollment is completed.

Company [illegible], Second cavalry, Capt. [illegible] M. [illegible], arrived at Camp Union on Sunday night, the 4th inst., from Camp Babbitt, near Visalia, to Sacramento, 250 miles, was made in nine days, being an average of 25 miles per day.

Letters from Capt. Caldwell's command, stationed on the Canyon City road, state there are no Indians in that region of the country.

As far as we have [illegible] there is an unusual regret expressed by [illegible] newspapers that Capt. Winslow will not [illegible] *Oregonian*.

The tonnage of coal from the Pennsylvania mines for this [illegible] is over 5,000,000 tons.

Legislative Correspondence.

[illegible]

Salem, September [illegible], 1864.

[illegible] about the new arrangement for their accommodation.

The old Hall of Representatives is now occupied by the Senate. [illegible] floor of a new [illegible] legislative halls [illegible] House. This room is about fourteen feet in height, agreeably lighted [illegible] light overhead. [illegible] clerks, and flanked by the desks of the reporters. [illegible] the accommodation of the world at large [illegible] the ladies in particular [illegible] the arrangements of this room [illegible] keeping [illegible] the Secretary.

This morning the two Houses commenced their session by prayer from the clergymen of this place, Rev. [illegible] officiating in the Senate, and Rev. [illegible] in the House. The courtesy of either branch has been very gracefully tendered to the corps of reporters, who are duly appreciated, of course.

The House voted itself five newspapers and the Senate three apiece, and the *Oregonian* has, of course, a full representation. The Senate elected itself an engrossing clerk, Mr. [illegible], of Yamhill, principally [illegible] business on hand. A committee from the two Houses waited on the Governor, with the announcement that the organization being completed, they were prepared to transact business, and [illegible] thereupon, that His Excellency would have the Message ready for their attention to-morrow at ten o'clock, with which information they returned.

In the House the morning's work was not very arduous. A proposition to have a moderate supply of postage stamps [illegible] at the disposal of each member, was voted down by a majority of one. There were notices given by many members of intention to introduce bills; among which were one by Cartwright, of Marion, for legalizing specific contracts. The Speaker announced the standing committees, a copy of which is enclosed.

Code Commissioners were called on for an early report of their labors.

Secretary of State returned to the House "A Bill to establish a Board of Auditors for Marion county," with the accompanying veto of the Governor, same being deemed unconstitutional, and acquiesced in very sensibly by the House.

AS A SPRING REMEDY, to purify and cleanse the Blood leaving it free from all humors and impurities, we assert with

BOILS.

We read that one of the sorest afflictions that the patient Job was called upon to bear, was that of boils, and they have been found to be, from that time to the present, the most troublesome and painful of visitors. We have known instances where individuals were sure to have these eruptions break out upon them once a month at least. They show an impure state of the blood, and that humor of some kind is lurking there, and the overplus of corruption is actually forced to the surface of the body, making its appearance in the form of Boils. Now, is it not best at once to purify the system? Do you ask what will do this? We answer, **Scovill's Blood and Liver Syrup.** It is curing humors in every form, and there is not a State in the Union where it has not accomplished the most astonishing cures.

Our dis[illegible] this morning indicate that the rush [illegible] in the number of last spring. It is [illegible] for merchants in Oregon ordering goods from San Francisco [illegible] state explicitly the kind of [illegible] they intend to pay their [illegible] in order to comply strictly with the specific [illegible] law of California [illegible] this they [illegible] disappointed if their orders are not [illegible]

HOME QUARTZ.—Mr. [illegible] C. Sessions has lately [illegible] from the Owyhee [illegible] with [illegible] specimens of quartz which will be on exhibition at the jewel to day. Several of these are [illegible] new discoveries and go to show, then the [illegible] belief that the Owyhee mines have no [illegible] upon the coast. Mr Sessions has such a favorable opinion of the country that he designs returning [illegible] establish himself there permanently, after settling his business matters in the Valley. These specimens are well worth seeing.

OREGON CORN MEAL.—The opinion that corn cannot be raised in Oregon is "played out." We [illegible] not only can raise as good an article as can be pro[illegible] in New York or Vermont, but we have the [illegible] make it into meal of the first quality. Out of these fallacies, Oregon [illegible] is as abundantly blessed with climate and soil [illegible] the production of all varieties of agriculture [illegible] the most [illegible] State in the Union. It requires [illegible] but well directed energy to prove it. If [illegible] would wish a good sample of Oregon Corn [illegible] call at Robert Pattock's, corner of Morrison [illegible] First streets.

[illegible] THE WAYS.—The city Street Commissioner having made a requisition upon the county of [illegible] materials, has engaged to mend the [illegible] around the old Court House. New side-walks [illegible] laid on the Eastern and Southern sides of [illegible] the lot upon which it stands. It [illegible] the only place deserving of such notice, some [illegible] much worse.

ATTEMPTED BURGLARY.—A burglary came very near being committed at one of our Front street establishments on Monday night. The man had entered the store [illegible] the rear and was discovered by the watchman through the front window, while striking matches [illegible] and was fairly caged; but as a few [illegible] circumstances" intervened [illegible] allowed him to depart. We understand he was an old man, and a former employee.

[illegible] HORSE.—Mr. J. N. [illegible] was [illegible] kicked in the face yesterday morning by a [illegible] while crossing the river on the Stark street [illegible] A very ugly wound was inflicted on the [illegible] jaw, which was dressed by Dr. F. A. Chapman, and the patient is doing as well as could be expected.

TO BE TESTED.—A substantial platform has been erected at the lower edge of the paved district on [illegible] street, and teams will be let pass upon it for [illegible] to-morrow or Saturday. The new [illegible] will then receive a test.

HARD ON DOGS.—Ninety five dogs were killed in Sacramento last month. Oh, what a slaughter! The poor little canines would have lived had they been in Portland.

ARRIVED.—The bark *[illegible]*, Capt. [illegible], was towed up to [illegible]'s wharf by the steamer [illegible] on Tuesday night.

In the Sixth Corps, according to a Washington paper, a spy was discovered in a somewhat singular manner. He had been in the service and [illegible] and disappeared frequently under circumstances [illegible] awakened suspicions [illegible] the Rebels. Nothing could be [illegible] against him, however, until he was arrested [illegible] the other day and a Union soldier dressed up a[illegible] Rebel uniform was thrown into the same guard [illegible] pretending to be a Rebel prisoner. Finding [illegible] company of a Rebel, as he supposed [illegible] revealed his plan [illegible] his mouth and [illegible] guilt so clearly that he will be hung without unnecessary delay.

[illegible] Night before last a poor horse [illegible] unpardonable sin of [illegible] he found unguarded upon the city [illegible] thus engaged a human monster [illegible] and [illegible] Chapman, enveloped the animal [illegible] beat the creature to death. JAMES DUFFY,

HORSE SHOER—STAR SHOP!

NO. 1 FRONT STREET, PORTLAND.

ONCE upon a time, both a Saddler and a Blacksmith were required to work upon a Horse, but now the boots are done away with, and the Saddler is required no more. And not long ago, a Sys of hoof-shoeing was very prevalent in this city, but now it is done away with, because the best of judges pronounce it to be only fit for Cayuse Ponies, and not for American Horses.

Having had great experience in the line of HORSE SHOEING, gentlemen favoring me with a trial can rely upon having their work executed in the best workmanlike manner, and upon the most reasonable terms.

PERUVIAN SYRUP,

OR PROTECTED

Solution of Protoxide of Iron,

Is a Protected Solution of the Protoxide of Iron, and Cures

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Female Complaints, Chronic Diarrhœa, Boils, Scurvy, the prostrating effects of Lead or Mercury,

GENERAL DEBILITY,

and all diseases which require a

Tonic and Alterative Medicine.

THE PROOFS OF ITS EFFICACY are so numerous, so well authenticated, and of such peculiar character, that sufferers cannot reasonably hesitate to receive the proffered aid.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

From well-known Citizens of Boston.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public:

Rev. JOHN PIERPONT, THOMAS C. AMORY,
THOMAS A. DEXTER, PETER HARVEY,
S. H. KENDALL, M.D., JAMES C. DUNN,
SAMUEL MAY, Rev. THOS. WHITTEMORE.

Certificate of Dr. Hayes.

It is well known that the medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation, has been deemed impossible.

In the Peruvian Syrup, this desirable point is attained by combination IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is to act upon the

HEART,

LIVER, KIDNEYS,

DIGESTIVE ORGANS AND GLANDULAR SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its investigation, it remained almost useless, until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

PURE IODINE IN PURE WATER,

without a solvent. This, considered impossible by the scientific world, is attested by certificates of analysis from Dr. J. K. Chilton of this city, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journals, and its use recommended to practitioners (See "American Medical Monthly," July 1860, page 76.)

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Full directions accompany each bottle. Sold by all Druggists. Price, $1 per bottle. Prepared by Dr H. Anders & Co., Physicians and Chemists, New York.

... from the army hospital—the family circle—from the mansion of the rich and humble abode of the poor—from the plains and the sacred desk—from the mountains, the distant valleys and the islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands upon thousands of letters like the following may be seen at our office.

REEDSBURG, Wis., Sept. 15, 1863.

* * * I have been in the army hospital for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. * * Three bottles restored my speech and cured me. C. A. FLAUTZ.

SOUTH WARSAW, O., July 27, 1863.

* * * One young man, who had been unable to get out of the house for two years with Scrofula and Erysipelas, after paying the doctors over $150 without benefit, has been entirely cured by ten bottles of your Bitters. EDWARD WOUNALL.

The following is from the manager of the Union Home School for the Children of Volunteers:

HAVEMEYER MANSION, FIFTY-SEVENTH STREET, NEW YORK, August 2, 1863.

DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. Respectfully, MRS. O. M. DEVOE.

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life. REV. W. H. WAGGONER, Madrid, N. Y.

* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.

Thy friend, ASA CURRIN, Philadelphia, Pa.

* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me. REV. J. S. CATHORN, Rochester, N. Y.

* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & CO., Proprietors Willard's Hotel, Washington, D. C.

* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect. G. W. ANDREWS, Superintendent Soldiers' Home, Cincinnati, O.

* * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business. H. B. KINGSLEY, Cleveland, O.

* * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm. C. C. MOORE, 254 Broadway, N. Y.

etc. etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.

"CONSTITUTION WATER,"

THE ONLY REMEDY FOR DISEASES OF THE

BLADDER, KIDNEYS,

Gravel, Dropsical Swellings,

GENITAL DEBILITY, ETC.

THE ASTONISHING SUCCESS WHICH HAS ATtended this invaluable medicine renders it the most valuable one ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the debilitated and shattered system. In fact, it stands unrivalled as a remedy for the permanent cure of the maladies above mentioned, and also

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,
INDIGESTION,
SEMINAL WEAKNESS,
GLEET, FLUOR ALBUS,

And in every disease any way connected with the disorder or decay of the PROCREATIVE FUNCTIONS. Persons about to marry, if conscious of any weakness, should take the

CONSTITUTION WATER,

Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once rebraced, revivified and built up. Well may this celebrated medicine be called the

MEDICAL WONDER.

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom or an almost idiotic apathy, becomes bright and active; and he goes forth regenerated, conscious of new vigor. The medicine reaches the CONSTITUTION itself, and restores it to its normal condition.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER,
STRANGUARY AND BURNING OR PAINFUL
URINATING,
CALCULUS, GRAVEL,
BRICK DUST DEPOSIT, AND MUCOUS
OR MILKY DISCHARGES AFTER URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases, and you will ever give praise to

CONSTITUTION WATER.

Males or Females.

Are you troubled with that distressing pain in the small of the back and through your hips? CONSTITUTION WATER will relieve you like magic.
